

Professional Networking Events

We are offering reflective networking sessions to the general public, including professionals, educators, counsellors, career advisers, school executives, new graduates and job seekers to facilitate constructive learning through conversation seeking solutions to challenges faced by so many.

We hope you will join us.

Throughout the year our clients' have shared topics of interest with a focus on areas they are most keen to gain a deeper understanding of to extend their Professional presence, Awareness of employment trends, Interactions in the community & Engagement with students.

The follow events aim to offer informal discussion to build competence and awareness.
