

Engaging Parents in Student Transition

Jacqui Van de Velde-Gilbert will present as guest speaker to share her experiences within Department, Catholic and Independent school seeking to increase parent engagement with school initiatives around student transition.

NESA REGISTERED PROFESSIONAL DEVELOPMENT

Completing this course will contribute 2 hours of NESA Registered PD addressing 3.7.2 and 7.3.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.

- 1. Defining Parent Engagement** - the continuing dialogue and evolution to school-community-parent collaboration. Jacqui will share:
 - a. Research on Parents Engagement in the Australian and International context
 - b. Reflection on how Parent Engagement is addressed at a policy and practical level in the Australian Context
- 2. What does effective Parent Engagement in transitions look like?** Focusing on three elements, being:
 - a. Key themes in parent engagement and strategies
 - b. Case studies and applications in parent engagement
 - c. Attendee's queries around developing parent engagement framework for transitions for their school community context
- 3. Data** - informing process, evaluation and success for the community.
 - a. Identifying the school's current data sources and reviewing other data sources for successful parent engagement in transition programs
 - b. Developing a parent engagement in transitions road map
 - c. Interpretation and application of data to inform processes, evaluate processes and measure successful transitions.
- Alignment to **Australian Professional Teaching Standards** for descriptors 3.7.2 and 7.3.2

Jacqui Van de Velde has more than 25 years' experience in education in both a professional and volunteer capacity. She has worked in and continues to work across a variety of educational and cultural contexts, in Australia, New Zealand, the EU, Singapore and North America. Jacqui is a passionate advocate for parent engagement in education, teaching standards, improved educational outcomes for K-12, professional learning networks and continuing education in the workplace.
